

The background image shows a rustic outdoor patio. On the left, a yellow bicycle is mounted on a wall. Below it is an orange leather sofa with several patterned cushions. In the foreground, there's a dark green chair and a large terracotta vase with dried orange branches. The wall is made of light-colored stone or plaster, decorated with a clock and various plants. A string of warm lights hangs from above.

We purchase our gluten-free products from specialized manufacturers, whose products may contain traces of gluten and other allergens. Furthermore, traces of gluten (rice flour basis) and other allergens cannot be avoided during regular kitchen operations. The same applies to vegan dishes, which may contain traces of products of animal origin (e.g., milk or egg).
